A Note about Covid:

Unfortunately, Covid is still here, and we must think about protection, but we hope these guidelines will let you feel comfortable attending!

- Special air filtration devices installed.
- Hand sanitizer available and use encouraged.
- Refreshments minimal and packaged for individual use.
- Crowding will be avoided and close contact among people from different households discouraged.
- Masks available and use encouraged; masking is requested / required of all friends over 5 years attending not fully vaccinated against Covid.
- Those we insist *not attend* include anyone with any symptoms of illness or who has been a close contact (within 6 feet for 15 min or more in a 24 hour period) with a positive Covid case in the previous 5 days.
